Hong Kong

# Heeyoung KIM

## UX Researcher/ Designer

I'm a recent PhD graduate and led the UX design research projects during the PhD. With this experience I gained through the study, I'm ready to dive deep into understanding the users, fulfilling the users' needs through meaningful design solutions. I love to be curious, persistently learn and improve the new challenge for the social benefits and people.

## Experience

### Research Associate (Part time)

— June - Sep 2021

#### The Hong Kong Polytechnic University

Writing the literature review, planning and managing the research project in School of Design Department.

### Material Design Developer

— Mar - Oct 2016

#### Tangi0 Ltd

Developing colour, materials and finishing techniques for Tangi0's products. Producing a series of functional textile samples which applies Tangi0's technology.

### Freelance Print Designer

— Nov 2014 - Feb 2015

#### Milk.Co Ltd

Photoshop and screen printing on T-shirts and all-over prints for children's wear.

### Design Intern
